Believe in **comfort.**

Dr. Comfort manufactures footwear with the purpose of helping people remain active. Our shoes are primarily available through healthcare providers who specialize in foot health. Proper footwear can help prevent more serious complications for those at risk. If you qualify, Medicare or other insurances may help cover the cost*. While our shoes are designed for those at risk, they also provide the quality, comfort and style anyone looking for a great pair of shoes will love. **Nobody beats our comfort.**

*Your doctor or one of our providers can help determine if you qualify. For more information or to find a local provider, look online at www.drcomfort.com or call us at 800.556.5572.
